

DECKED

IN-VEHICLE STORAGE SYSTEMS

*Play
Harder*

AS HARD AS YOU WORK, WE KNOW YOU PLAY HARDER. WE BUILT DECKED FOR GETTING OUT OF TOWN, BURNING GAS AND PURSUING DINNER, WHETHER IT HAS FOUR LEGS, WINGS OR FINS. DECKED'S 2000 LB PAYLOAD MEANS YOU CAN HAUL ALL YOUR GEAR AND STILL LOAD UP THE ATV OR THE MOTO. PACK YOUR DRAWERS AND GET BUSY LIVIN'.

FULLY FEATURED DESIGN

TRUCK & CARGO VAN

WE CREATED DECKED TO END THE JUNK SHOW IN THE BACK OF YOUR FULL SIZE TRUCK OR CARGO VAN. ERGONOMIC STORAGE AND ORGANIZATION PUTS ALL OF YOUR TOOLS, GEAR AND OTHER ESSENTIALS RIGHT AT YOUR FINGER TIPS. WITH A 2000 LB PAYLOAD ON THE DECK AND A 200 LB LOAD CAPACITY PER DRAWER, YOU CAN LOAD 'ER UP AND GET 'ER DONE. 100% MADE IN THE USA.

THE PERFECT FIT

Each DECKED unit is precision shaped to match your vehicle's sidewall topography. We fit nearly every full size truck and cargo van with 5'6" and 6'6" bed lengths or cargo areas since the late 90s.

FULL BED USE

Maintain full use of your bed's footprint by adding surface area above the wheel wells, retaining a 2000 lb payload rating.

RUGGED & WEATHERPROOF

Built from bomber UV and weather resistant high density polyethylene and galvanized steel, DECKED is built to last. The system is engineered to be weatherproof, keeping all your gear and tools dry and out of the elements.

SECURE

When your tools, guns, rods and other gear are closed up in your DECKED System, they are as secure as in a locked canopy or under a tonneau cover. Tail-gate locks, combined with our design will give you peace of mind.

ERGONOMIC

DECKED allows you to access your tools, gear and other essentials without having to crawl into the back of your vehicle. All the goods slide out at tail-gate or bumper height.

CUSTOMIZABLE

We've created a collection of useful accessories to help you get more out of your DECKED System. Customize with D-Boxes, dividers, locks, tie downs and more.

WORK SMARTER

OUR COMPANY MISSION IS TO MAKE LIFE EASIER FOR THE WORKING MAN AND WOMAN. WHATEVER YOUR MISSION, DECKED HELPS YOU WORK SMARTER WITH INCREASED EFFICIENCY AND LESS WEAR AND TEAR ON YOUR BODY.

STEEL SUBFRAME

30% of the weight is steel! Galvanized tubes are co-molded laterally into each deck. Dimples in the deck surface identify steel tubes, allowing you to drill into the deck to attach racks or slide systems.

FINE FINISHES

We use galvanized, stainless and zinc chromate steel hardware with rust inhibitors that exceed auto industry standards for all of our steel components. DECKED's exterior finishes include a ruler with handy common drill bit and diameter guides as well as a bottle opener.

BEEFY WHEELS

Thanks to four sealed-bearing wheels per drawer, DECKED drawers roll like butter.

DECKED D-BOX

ERGONOMIC & NESTING

THE DECKED D-BOX TAKES ERGONOMICS TO THE NEXT LEVEL. GET MAXIMUM CARGO STORAGE EFFICIENCY AND DRAWER FUNCTIONALITY IN A DURABLE, WEATHERPROOF TOOLBOX.

2 D-BOXES FIT IN EACH SHORT DECKED SYSTEM DRAWER AND 3 D-BOXES FIT IN EACH STANDARD DECKED SYSTEM DRAWER. MADE IN USA.

RECESSED LOCKING LATCHES

EPDM GASKET

REMOVABLE DIVIDERS

GRIP POINTS

RULER & COMMON BOLT/BIT GUIDE

HORIZONTAL & VERTICAL HANDLES

DIVIDERS

Get more out of your DECKED drawers with our removable dividers. Segment your space to fit your needs, and truly get organized for the task.

CORE TRAX 1000

Custom Core Trax 1000 tie downs bolt to the steel tubes in your deck to secure bulky loads. Made from powder coated 6061 T6 aluminum with stainless steel tie down loops, Core Trax offer a 500 lb pullout rating.

T-TRACK RACK MOUNTS

DECKED T-Tracks bolt to the steel tubes in your deck allowing compatibility with Thule and Yakima rack systems. Made from 6061 T6 aluminum.

LOCKS

Lock up your tools, guns, rods, skis and other valuable gear with our drawer lock and key system for added security.

DRAIN PLUGS

Utilize drawer drain plugs to drain water from melted ice, making clean up from an epic tailgate party a breeze.

DOWN TO THE DETAILS

DRAWER HEIGHT
8.5"

DRAWER WIDTH
18" (top), 16.75" (bottom)

DRAWER LENGTH
SHORT BED: 61.4" (top), 55.4" (bottom)
STANDARD BED: 72.1" (top), 66.1" (bottom)

INSTALLATION

We designed DECKED to be easily assembled and installed. Assembly requires basic hand tools and following simple, written instructions. Watch our detailed installation tutorial at [DECKED.com/installation](https://www.decked.com/installation).

STRENGTH & DURABILITY

We didn't bring a gun to a knife fight. We brought a cannon. HDPE represents the ultimate in impact-resistant, weatherproof materials. Molded to an engineered steel frame, the result is a combination of materials that are built to last.

3-YEAR WARRANTY

We have gone to great lengths in R&D and manufacturing to ensure that your experience is second to none. We are so confident you will be pleased with the quality of your system, that we back everything with a 3-year limited warranty against defects in materials and workmanship. Register your system at [DECKED.COM/register](https://www.decked.com/register).

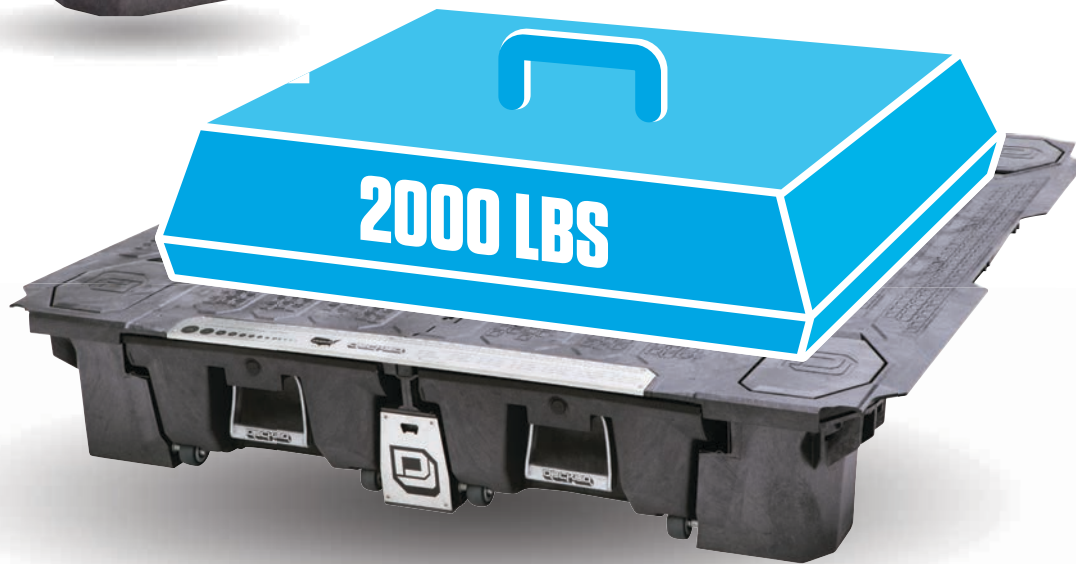

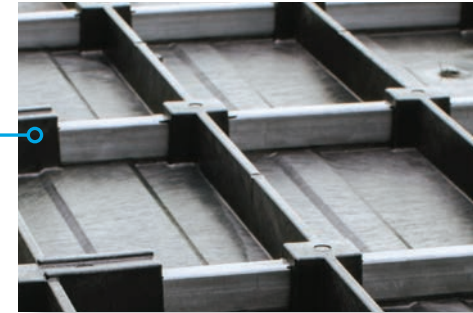

AMMO CAN STORAGE

4 ammo cans located in the 4 corners of the DECKED system offer additional storage. BONUS: Ammo can lids flip over to reveal drink holders.

STEEL SUBFRAME

6-7 galvanized steel tubes are co-molded laterally into each deck half.

SYSTEM WEIGHT CAPACITIES

DISTRIBUTED PAYLOAD	2000 LB
DRAWER CAPACITY (EACH)	200 LB

SYSTEM DIMENSIONS

	SHORT	STANDARD
LENGTH	64.5"	75.25"
WIDTH (VARIES)	63"-71"	63"-71"
HEIGHT	12"	12"
TOTAL WEIGHT (LBS)	200	220-227
DRAWER VOLUME (EACH)	5.4 FT ³	6 FT ³

EASY TO REMOVE & REINSTALL

Once DECKED is installed in the vehicle, removal or re-installation only requires 15-20 minutes using basic hand tools. DECKED comes apart into four major pieces and can be stacked neatly until it's time to reinstall.

2000 LB PAYLOAD

DECKED offers a validated, 'static' 2000 lb system payload rating. What does this mean? The DECKED system can hold a load of 2000 lbs distributed evenly across the deck surface.

INTEGRATION

DECKED is compatible with a variety of accessories like toolboxes, ladder racks, gun mounts, cargo slide systems and more. Check out DECKED.com/integration for detailed integration information and best practices.
